

Mawa

Bologna floor lamp

Technical details

Country of Manufacture	 Germany
Manufacturer	Mawa
Designer	Aloys F. Gangkofner
Year of design	2020
protection	IP20
Scope of delivery	LED 230 Volt
voltage suitability	110 - 240 Volt
material	aluminum, glass
glass	opal
cable color	anthracite
cable length	250 cm
dimming	cord dimmer
socket/light fixture	E27
Power (max. Watt)	60 Watt
Color temperature in Kelvin	Dim to warm
Shade diameter	40 cm
bulb exchange	on site itself
Dimensions	H 52 cm

Description

The Mawa Bologna floor lamp is part of the Gangkofner edition, which was already developed by Aloys F. Gangkofner in the 1950s. The floor lamp with a height of 52.1 cm has a mouth-blown, opal white matt glass with a filigree ribbed structure. The light is emitted homogenously and glare-free in all directions through the glass with a diameter of 39.8 cm. Each glass is elaborately handmade. Possible small bubbles or slight deviations in size and glass thickness are signs of craftsmanship. Its three-legged lamp base is made of powder-coated aluminum in metallic bronze.

The Bologna floor lamp has a dimmer on the supply line with Dim to warm technology. When the floor lamp is dimmed, the light colour changes to a warmer tone (from 2,700 Kelvin to 1,800 Kelvin) due to the Dim to warm technology. A suitable, replaceable Dim to warm E27 LED bulb for operating the lamp is included. Only with a suitable bulb can be guaranteed a perfect function of the Dim to warm technology.
