

Domus

Plan B Pendant Lamp

Oberfläche

- Beech
- Maron

Technical details

Country of Manufacture	 Germany
Manufacturer	Domus
Year of design	1999
protection	IP20
Scope of delivery	Leuchtmittel/ Bulb
voltage suitability	110 - 240 Volt
material	Lunopal, Textile, wood
cable length	200 cm
height adjustment	height determinable
dimming	dimmable on site
socket/light fixture	E27
Power (max. Watt)	100 Watt
Shade diameter	40 cm
Shade height	35 cm

Description

The Domus Plan B is a pendant lamp with a white lampshade made of Lunopal. Lunopal is a high-quality shade material that was developed by Domus. This material is thermally highly resilient and can withstand temperatures of up to 100°C. Lunopal is white transparent and gives the impression of fine Japanese paper. The completely environmentally friendly material is UV-resistant, washable and does not yellow. The oiled wooden elements of the luminaire are optionally available in beech or beech maron-oil finish. The cable length of this height-adjustable luminaire is 200 cm. The 35 cm high lampshade has a diameter of 40 cm. The Plan B pendant lamp has an E27 socket and can be operated with conventional halogen bulbs as well as with LED retrofit bulbs.
