Technical details

Country of Manufacture	 Spain
Manufacturer	B.Lux
Designer	David Abad
protection	IP54
Scope of delivery	LED
voltage suitability	230 - 240 Volt
Projection in cm	16
material	glass, metal
Wattage	7 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	520
Color temperature in Kelvin	2,700 extra warm white
light head dimensions	12 cm
Dimensions	H 85 cm

Description

The B.Lux Speers Outdoor Bollard is a bollard lamp and is suitable for mounting on an on-site foundation or paved surface. With protection class IP54, this outdoor lamp is protected against dust and splashing water from all sides. The bollard light is 85 cm high and has a projection of 16 cm. Its lamp head has a diameter of 11.5 cm.

The light is emitted by the Speers Outdoor Bollard directly downwards and is focused by a glass lens. This makes the lamp well suited for path lighting. The integrated light source is an LED with a colour temperature of 2,700 Kelvin extra warm white. The Speers Outdoor Bollard is offered in the surfaces white and black. Both surfaces are matt textured.
