

Domus

Stele

Oberfläche

- Beech
- oak
- walnut

Technical details

Country of Manufacture	 Germany
Manufacturer	Domus
Designer	Ralf Brüning
Year of design	2007
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
material	Lunopal, steel, wood
dimming	cord dimmer
socket/light fixture	E27
shade color	white
system performance	4 x 60 Watt (max.)
total height	170 cm

Description

The Domus Stele is available in oak, core beech and walnut finishes. The square lamp base is made of steel. Its two-part lamp shade is made of white transparent Lunopal. Lunopal is a high-quality material that Domus has developed for its lamp shades and is both environmentally friendly as well as temperature-resistant. This material gives the impression of fine Japanese paper and does not yellow. This Domus Stele has an E27 socket and can be operated with replaceable LEDs (retrofit). It can be regulated with a foot dimmer on the supply line.
