Description

The Knapstein YOKO-Q is a ceiling light with a square basic shape. The lamp has a length and a width of approx. 40 cm each. The light is emitted from the ceiling lamp upwards and downwards at the same time. This also creates a light effect on the ceiling. The YOKO-Q is available in the surfaces matt nickel and black. The ceiling light is operated with a powerful, dimmable LED. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white.
