- bronze
- aluminium
- black / brass
- platinum

Technical details

Country of Manufacture	 Germany
Manufacturer	Holtkoetter
Designer	Holtkötter
Year of design	2024
material	Aluminium
Wattage	71 W
LED #	inclusive
Colour Rendering Index	>90
Luminous flux in lm	8800
Color temperature in Kelvin	2.200 - 2.850
protection	IP20
Scope of delivery	LED
voltage suitability	230 - 240 Volt
dimming	Push button dimmer at the light rod
lamp stand dimensions	27 cm
light head dimensions	31 cm
bulb exchange	on site itself
Dimensions	H 184 cm

Description

The Holtkötter Naxos floor lamp made of aluminium is 184 cm high and has a swivelling and tilting lamp head with a diameter of 31 cm. The round base with a diameter of 27.2 cm ensures that the lamp is very stable. The flat lamp head with integrated diffuser and side slit can be rotated and swivelled and directs its light upwards, downwards or to the side as required. The light can be infinitely adjusted using a touch dimmer attached to the centre of the lamp rod. When dimmed, the light colour of the integrated LED changes to a warmer tone (from 2,850 Kelvin warm white to 2,200 Kelvin warm white) thanks to dim-to-warm technology. Holtkötter Naxos is available in the following surface textures: Matt aluminium, white, black/anodised brass, bronze, black, anodised brass and platinum.
