

Lumina

Opus

surface

- blanco
- negro

Technical details

País de origen	 Italia
Fabricante	Lumina
Diseñador	Monici, Walter
Índice de protección / Protección IP	IP20
Contenido del paquete	Lámpara
entrada de tensión	230 - 240 Volt
material	metal
Atenuación	cable de dimmer
Base / Portalámparas	R7s
Alimentación (máx. Watt)	300 Watt
Dimensiones del soporte de la lámpara	30 cm
distribución de la luz	indirectamente
Dimensions	H 187 cm

Descripción

The Lumina Opus floor lamp is a real design highlight to every ambience. Its luminaire body represents the simple version of a grid-shaped steel girder. You may elegantly and nearly invisibly roll the supply line of the Opus into the lamp stand plate. This floor lamp radiates an indirect and dazzle-free lighting. Even illuminating living rooms or offices is possible with the Opus making it an optimum uplight. The light intensity may be controlled via dimmer and the diffuser is swivelling due to the useful handle. The Lumina Opus is available in black or white.
