<b>reemplazo de la bombilla:</b>	en el sitio mismo

## Descripción

The Serien Lighting Curling Ceiling with a conical reflector emits its light both directly downwards and softly diffused all around. This ceiling light is available in three sizes: Small with a diameter of 18 cm, Medium with 25 cm and Large with 33 cm. The Curling Ceiling clear/ conical opal is also offered in two colour temperatures: with 2,700 extra warm white or 3,000 Kelvin warm white. On request, the lamp is also available DALI or 1-10 volt dimmable. The Small and Medium versions are also on offer with dim to warm function on request. The version with dim to warm function imitates the pleasant perceived dimming behaviour of classic incandescent lamps.
