### Descripción

The Decor Walther Bauhaus 1 N LED is a wall and ceiling lamp. It is 30 cm high, 9 cm wide and 8 cm deep. Its diffuser of glossy white acrylic glass is enclosed in a metal frame. The frame is offered in satin nickel, black matt and chrome finishes. Depending on the installation, the light is emitted directly and to the sides or into the room and upwards and downwards. As light sources LEDs, each with a colour temperature of 3,000 Kelvin warm white, are integrated. The Bauhaus 1 N LED can be dimmed on site with a trailing edge phase dimmer. Thanks to an IP44 degree of protection, it is protected against splash water on all sides and against solid foreign bodies with a diameter of one millimetre or more.
