

Bover

Siam 200 - 72cm

Schirmfarbe

- crema
- blanco

Technical details

País de la Fabricación	 España
fabricante	Bover
diseñador	Joana Bover
año	2010
protección	IP20
Volumen de suministro	Leuchtmittel/ Bulb
entrada de tensión	110 - 240 Volt
Diámetro en cm	200
material	acero Inoxidable, metacrilato, plancha
Atenuación	Regulable en el sitio
base/portalámparas	E27
Dimensiones del dosel	20 cm
Altura de pantalla	35 cm
El rendimiento del sistema	8 x 15 Watt (max.)
Dimensions	H 72 cm Ø 200 cm

Descripción

The Siam 200 is manufactured by the Spanish company Bover and is based on a design by Joana Bover. The ceiling bracket of the Bover Siam 200 is made of metal and is available with a nickel surface. The light of this ceiling lamp is emitted centrally directly downwards and spreads simultaneously all around to the sides and to the ceiling. The Bover Siam 200 has a diameter of 200 cm, the total height of this ceiling lamp is 72 cm. The light's small distance of only 37 cm from the ceiling creates a radiant circle of light on the ceiling. This lamp with a lamp shade height of 35 cm is available in the shade colours white and cream. The Bover Siam 200 has eight E27 sockets and can be operated with LED retrofit lamps. This on-site dimmable lamp is the bigger of two versions of the Bover Siam 200. With its light distribution and size, the ceiling light is particularly suitable for large rooms.
