### Descripción

This Brokis Balloons Small table lamp has a smoke brown mouth-blown glass. The lamp is also available with a transparent or smoke grey glass. This Balloons is the smallest table lamp in the series with a height of 40 cm and a diameter of 28.5 cm. It is also offered in two other sizes. Inside the glass is located a metal reflector. It is handmade and available in the following colours: white, black, lemon yellow, orange, chrome, brass, copper and chrome brushed. The Balloons Small smoke brown comes with a black cable. On request it is also supplied with the cable colours white, dark grey, light grey, red and yellow. A dimmer is integrated on the cable. The table lamp has an E14 socket, which can be operated with halogen lamps or LEDs.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
