## Descripción

This Brokis Balloons Large has a transparent mouth-blown glass. It is also available with a smoke grey or smoke brown glass. The table lamp is 78.5 cm high and has a diameter of 55 cm. It is one of the largest lamps in this series and is offered in two other sizes. A metal reflector is integrated in the glass. The reflector is handmade and is available in black, white, orange, lemon yellow, copper, brass, chrome and chrome brushed. Depending on the choice of reflector, the lamp has a black, white, dark or light grey cable. On request, the Balloons Large transparent is also available in all versions in the cable colours white, black, light grey, dark grey, red and yellow. The E27 socket of the table lamp can be operated with halogen lamps or LEDs.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
