Oberfläche

- oro
- plata
- blanco

Version

- Downlight
- Uplight

Descripción

Technical details

País de la Fabricación	Italia	This Cini & Nils Acqua consists of two multiple lamps suspended next to each
fabricante	Cini & Nils	other on a canopy. A total of five lighting elements are integrated. The lamp is available in the surfaces white, silver matt and gold matt. On request it is also offered in silver leaf or gold leaf. The oval canopy is supplied in the matching surface to the lamp. The Acqua is offered in two versions: As an uplight it emits indirect light directed upwards and as a downlight it emits direct light directed downwards.
diseñador	Luta Bettonica	
año	2014	
protección	IP20	
Volumen de suministro	LED	
entrada de tensión	230 - 240 Volt	The pendant light with multiple canopy is operated with a switch-controlled, integrated dimmer, with which the light can be dimmed continuously via the normal light switch. No additional cables are required for this. The dimming function is activated by switching on and off once. The maximum light intensity is reached within seven seconds. To set the desired light intensity, switch on and off again. The set light intensity is saved via a memory function and automatically selected again when the light is switched on again. On request, the Acqua with double canopy is also available on site dimmable with Push.
material	acero, aluminio	
ajuste de altura	altura determinada	
Atenuación	con un regulador de intensidad integrado y controlado por un interruptor	
LED	incluyendo	
Indice de reproduccion cromatica	95	
Temperatura de color en grados Kelvin	2.800 blanco cálido	This light has a total of five individual Acqua elements. On request, the pendant lamp is also available with up to ten elements. The pendant light has a maximum height of 200 cm, the cables can be shortened if required. A decentralisation kit is offered as an accessory, which allows the lamp to be installed independently of the power supply.
Dimensiones del dosel	Longitud 33 cm, anchura 11 cm, altura 5 cm	
El rendimiento del sistema	5 x 5,6 Watt	
Flujo total luminoso en lm	3.250	
altura total	200 cm	
Dimensions	H 86 cm
