Altura de pantalla	32 cm
Dimensiones del soporte de la lámpara	25 cm
reemplazo de la bombilla:	en el sitio mismo
El rendimiento del sistema	3 x 15 Watt (max.)
Dimensions	H 160 cm

Descripción

The lamp rods and base of the Holtkötter Fifties are made of refined brass. Each lamp shade can be switched independently of the others via an on/off switch on the socket. The lamp rods are offered in the surfaces black, fume matt, nickel matt and brass matt. The lamp shades are available in thirteen colours. Here, the floor lamp is offered in ten versions. On request, the floor lamp is also available in other combinations of lamp rods and lamp shades.

These ten versions are offered:

- Version 1: Lamp rods black, shades dark blue, slate and black
- Version 2: Lamp rods black, shades light grey, forest green and black
- Version 3: Lamp rods black, shades light grey, slate and black
- Version 4: Lamp rods fume, shades champagne, sand and taupe
- Version 5: Lamp rods fume, shades pink, champagne and sand
- Version 6: Lamp rods nickel, shades light grey, dark blue and white
- Version 7: Lamp rods nickel, shades light mint, slate and white
- Version 8: Lamp rods brass, shades champagne, sand and taupe
- Version 9: Lamp rods brass, shades light mint, orange and yellow
- Version 10: Lamp rods brass, shades orange, yellow and taupe
