## Descripción

The Bopp One wall and ceiling lamp is made of aluminium, has a diameter of 9 cm and is 4 cm high. The housing of this LED lamp is available in the surfaces smoothed aluminium and white. The Bopp One wall and ceiling light has an integrated LED with an output of 8.5 watts and a colour temperature of 2,700 Kelvin extra warm white. The scope of delivery also includes a cover round in the colour of the housing with a diameter of 7 cm. If this cover is placed on the lamp, the Bopp One no longer emits its warm white light mainly downwards, but also sideways. This wall and ceiling lamp can be dimmed via the existing house electrics with a trailing edge phase cut dimmer (not included in the scope of delivery). The Bopp One is also available as a recessed lamp on request.
