Descripción

The Arturo Alvarez Lea LA04 pendant lamp has a lamp shade made of lacquered, particularly resistant stainless steel mesh. The shade has a height of 23 cm and a length as well as width of 43 cm each. The pendant lamp is available in white and grey. It is supplied with a transparent cable as standard. On request, it is also available with a black cable. The lamp has a maximum total height of 150 cm, its cable can be shortened if required. The Lea LA04 pendant light is available as an E27 or LED version. The E27 version has an E27 socket and is operated with a replaceable LED retrofit. The LED version has an integrated LED with a colour temperature of 2,700 Kelvin extra warm white. On request, the LED version is also available with a colour temperature of 3,000 Kelvin warm white or as a DALI dimmable version.

Lea is the result of a combination of experiments, dreams and craftsmanship. The new design by Arturo Alvarez is the work of the designer Rafa Alonso. By creating a space for dreaming and storytelling for his students, Lea was born, a star that shines in the sky, welcomes you and guides you. Inspired by dreams, stars and illusions, Lea is the representation of what a teacher is to his students, the metaphor of a light that illuminates and guides the way.
