Dimensions H 7 cm

Descripción

The B.Lux R2 C Wood is a ring-shaped ceiling lamp made of natural wood and aluminum. LEDs are used as the light source, which provide uniform downward illumination. This ceiling light is offered in three sizes: with a diameter of 60 cm, 90 cm or 120 cm. In each size, the lamp has a height of 7.3 cm. The R2 C Wood is offered in the surfaces natural walnut or oak. Besides this lamp made of natural wood and aluminum, also the R2 C ceiling lamp made of aluminum is available in the surfaces white, black and bronze.

Depending on the size, different numbers of LEDs with a colour temperature of 3,000 Kelvin warm white are integrated as illuminants. Three LEDs are integrated in the 60 cm lamp, four LEDs in the 90 cm lamp and six LEDs in the 120 cm lamp. The integrated LEDs are dimmable.
