Technical details

País de origen	 Alemania
Fabricante	Holtkoetter
Diseñador	Holtkötter
año	2024
Materiales	Aluminium
Potencia en vatios	71 W
LED #	inclusive
Índice de reproducción cromática (CRI / Ra)	>90
Flujo luminoso en lm	8800
Temperatura de color en kelvin	2.200 - 2.850
Índice de protección / Protección IP	IP20
Contenido del paquete	LED
entrada de tensión	230 - 240 Volt
Atenuación	Toque atenuadores de luz en el palillo
Dimensiones del soporte de la lámpara	27 cm
cabeza del alumbrado masa	31 cm
reemplazo de la bombilla:	en el sitio mismo
Dimensiones	H 184 cm

Descripción

The Holtkötter Naxos floor lamp made of aluminium is 184 cm high and has a swivelling and tilting lamp head with a diameter of 31 cm. The round base with a diameter of 27.2 cm ensures that the lamp is very stable. The flat lamp head with integrated diffuser and side slit can be rotated and swivelled and directs its light upwards, downwards or to the side as required. The light can be infinitely adjusted using a touch dimmer attached to the centre of the lamp rod. When dimmed, the light colour of the integrated LED changes to a warmer tone (from 2,850 Kelvin warm white to 2,200 Kelvin warm white) thanks to dim-to-warm technology. Holtkötter Naxos is available in the following surface textures: Matt aluminium, white, black/anodised brass, bronze, black, anodised brass and platinum.
