Keilbach Doorstop Nemo

couleur:
- argent
- noir

Informations Techniques

fabricant Keilbach
Maße H 15 cm | D 9 cm
matériel: aluminium, caoutchouc

Description

The Keilbach door stopper Nemo with a weight of 1.2 kg, a height of 15 cm and a diameter of 9 cm reliably keeps your doors open. It is available in the colours black and silver and consists of powder-coated aluminum and rubber. Especially the thick rubber ring around the middle protects the doors from damage. Nemo is easy to grip and can be moved as required. Its shape is reminiscent of a cone man.
