

Ingo Maurer YAYAHO Element 16

Technical details

Pays de fabrication	Allemagne
fabriquant	Ingo Maurer
concepteur	Ingo Maurer
protection	IP20
Contenu de la livraison	Ampoule
aptitude de tension	230 - 240 Volt
matériel	métal, silicone
réglage de la hauteur	réglable en hauteur
atténuation	dimmable sur place
base/version	GU5.3
Puissance (max. Watt)	50 Watt

Description

The Ingo Maurer Yayaho Element 16 is part of the Yayaho low-voltage lighting system. The silicone shade of the element is fixed with its two metal arms on the ropes of the lighting system with safety clips. The two metal arms allow the Yayaho Element 16 to move horizontally on the ropes. The lamp head is swiveling and thus offers good illumination and a pleasant direct light.
