

Lumina

Opus

surface

- blanc
- noir

Technical details

Pays de fabrication	 Italie
Fabricant	Lumina
Créateur	Monici, Walter
Indice de protection / Indice IP	IP20
Contenu de la livraison	Ampoule
aptitude de tension	230 - 240 Volt
matériel	métal
atténuation	gradateur cordon avec
Socle / Douille	R7s
Puissance (max. Watt)	300 Watt
Pied de lampe dimensions	30 cm
répartition de la lumière	indirectement
Dimensions	H 187 cm

Description

The Lumina Opus floor lamp is a real design highlight to every ambience. Its luminaire body represents the simple version of a grid-shaped steel girder. You may elegantly and nearly invisibly roll the supply line of the Opus into the lamp stand plate. This floor lamp radiates an indirect and dazzle-free lighting. Even illuminating living rooms or offices is possible with the Opus making it an optimum uplight. The light intensity may be controlled via dimmer and the diffuser is swivelling due to the useful handle. The Lumina Opus is available in black or white.
