Description

The Lumina Moove Mono pendant lamp convinces through technical refinement. This extremely innovative pendant lamp is very adaptable. Installed above dining tables this luminaire looks very elegantly and it radiates a pleasant light across the room. The lampshade of the Moove Mono consists of steel and a high-quality network out of fabrics. Due to this design the diffuser enables a directly downwards radiating light as well as a diffuse illumination inside the room. The Lumina Moove Mono has a shade diameter of 42.5 cm and a shade height of 20.5 cm.
