Pays de fabrication	 Italie
Fabricant	Lumina
Créateur	Francesco Brambilla
Indice de protection / Indice IP	IP20
Contenu de la livraison	Ampoule
aptitude de tension	110 - 240 Volt
matériel	acier, aluminium, Textile
réglage de la hauteur	réglable en hauteur
atténuation	dimmerable sur place
Socle / Douille	E27
Diamètre de l'ombre	43 cm
Hauteur de Abat	21 cm
Les performances du système	2 x 75 Watt (max.)
répartition de la lumière	directement
Dimensions	H 30 - 175 cm B 248 cm

Description

The Lumina Moove Doppia pendant lamp convinces through technical refinement. This extremely innovative pendant lamp is very adaptable and it moves in three dimensions. Thus it is shiftable into every direction. This is a perfect solution for rooms where the connector for lamps is not located directly above the dining table or the coffee table as the Moove Doppia simply follows the table. The same is true of extendable tables as it will find the middle of the table without any problems while it is disposable to other areas of the room at the same time.

In contrast to Moove, this Lumina lamp has two shades. The lampshades consists out of fabrics. Due to this design the diffuser enables a directly downwards radiating light as well as a diffuse illumination inside the room. The Lumina Moove Doppia is offered with the lampshades being black, grey or ivory-coloured.
