Flo Bedside

Oberfläche

- Bronze Metallic
- jaune
- gunmetal
- nickel brossé
- rouge
- noir
- blanc

Technical details

Pays de fabrication	 Italie
Fabricant	Lumina
Créateur	Foster+Partners
Indice de protection / Indice IP	IP20
Contenu de la livraison	Ampoule
aptitude de tension	110 - 240 Volt
Projection en cm	32
matériel	acier, aluminium
atténuation	Dimmer 2 positions
Puissance en Watt	3 W
Indice de rendu des couleurs	>90
Flux lumineux en lm	250
La température de couleur en Kelvin	2.700 extra blanc chaud
Pied de lampe dimensions	18 cm
répartition de la lumière	directement
Dimensions	H 36 cm

Description

The Lumina Flo Bedside is the smallest table lamp out of the large Flo collection. It is perfectly suitable for using it as bedside lamp hence its name. The Flo family is the result of the first cooperation of Lumina and the design studio Foster & Partners. The design is minimalist and timeless integrating fine details into a slim shape. The Flo Bedside consists of aluminium and steel offered in a variety of surfaces and colours. These are to be chosen next to the picture. This lamp is controlled via the switch attached to the lamp head. This switch has three positions being: Off, 100% light intensity, 50% light intensity. A 3 watt LED with 2.700 Kelvin and 250 lm is integrated into the Lumina Flo Bedside. On request you can order this lamp also with 3.000 Kelvin. If you like to order this article, please specify the Kelvin colour temperature of the lamp under the item Order Review in the field Order Comment.
