## Flo Desk

### Oberfläche

- Bronze Metallic
- jaune
- gunmetal
- nickel brossé
- rouge
- noir
- blanc

### Technical details

<b>Pays de fabrication</b>	 Italie
<b>Fabricant</b>	Lumina
<b>Créateur</b>	Foster+Partners
<b>Indice de protection / Indice IP</b>	IP20
<b>Contenu de la livraison</b>	Ampoule
<b>aptitude de tension</b>	110 - 240 Volt
<b>Projection en cm</b>	39
<b>matériel</b>	acier, aluminium
<b>atténuation</b>	Dimmer 2 positions
<b>Puissance en Watt</b>	6 W
<b>LED</b>	y compris
<b>Indice de rendu des couleurs</b>	>90
<b>Flux lumineux en lm</b>	500
<b>La température de couleur en Kelvin</b>	2.700 extra blanc chaud
<b>Pied de lampe dimensions</b>	19 cm
<b>répartition de la lumière</b>	directement
<b>Dimensions</b>	H 43 cm

### Description

The Lumina Flo Desk is a timeless table lamp that is perfectly suitable as a reading lamp. It is made of aluminium and steel offered in a variety of surfaces and colours. Thus it is either matt coated in black, white, red, yellow, orange, cyan, green, metallic bronze or in one of the metal optics being gunmetal or brushed nickel. The Flo Desk is controlled via the switch attached to the lamp head. This switch has three positions being: Off, 100% light intensity, 50% light intensity. One 6 watt LED with 2.700 Kelvin is integrated. On request you can order this lamp with 3.000 Kelvin. The Lumina Flo collection is the result of the first cooperation of Lumina and the design studio Foster & Partners. The design is minimalist and timeless integrating fine details into a slim shape. The idea was to create a functional reading light embedding the latest LED technology into a simple floating shape. The modern elegance of the Flo Desk is achieved not only through its sophisticated shaping but also through the omission of external mobile parts like coils or springs. If you like to order this article with 3,000 Kelvin warm white, please specify the Kelvin colour temperature of the lamp under the item Order Review in the field Order Comment.
