Description

The Lumina Flo Floor is the larger one out of two floor lamps belonging to the large Flo collection. It consists of aluminium and steel offered in a variety of colours. These surfaces are on offer: black, red, white, yellow, Metallic bronze, brushed nickel-plated and gunmetal.

The Flo Floor is controlled via the switch attached to the lamp head. This switch comes with three positions being: Off 100% light intensity 50% light intensity.

The Flo series is the result of the first cooperation of Lumina and the design studio Foster+Partners. If you like to order this article with 3,000 Kelvin warm white, please specify the Kelvin colour temperature of the lamp under the item Order Review in the field Order Comment.
