## Description

The Lumina Flo Lounge is the smaller of two floor lamps from the extensive Flo collection. It is made of aluminium and steel and is offered by Lumina in a variety of finishes and colours. Either matt coated in black, white, red or yellow. Or in bronze metallic or a metallic look in gunmetal (iron-coloured) or brushed nickel.

The Flo Lounge is switched with a pushbutton switch placed on the head. This switch has three positions: Off, 100% luminous intensity, 50% luminous intensity. A 3 Watt LED with 2.700 Kelvin is integrated as a light source. On request you can order this lamp also with a colour temperature of 3.000 Kelvin. If you like to order this article, please specify the Kelvin colour temperature of the lamp under the item Order Review in the field Order Comment.
