Description

The Lumina Matrix Mono wall or ceiling lamp focuses on the essentials remaining very flexible and convertible. Regular bulbs, globe lamps, halogen spots and energy-saving lamps can be used as light sources for this lamp.

The arm of the Matrix Mono consists of stainless steel and can be adjusted individually. This ceiling lamp is a special eye-catcher installed single at the wall or ceiling as well as in group. The two colours being black or nickel plated are offered. The lamp is on site dimmable.
