

Byok

Nastrino Table Clamp

Oberfläche

- Matt aluminium
- noir mat

Technical details

Pays de fabrication	 Allemagne
Fabricant	Byok
Créateur	Kai Byok
Indice de protection / Indice IP	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
Projection en cm	60
matériel	aluminium
longueur de câble	300 cm
atténuation	controle gestuel
LED	remplacé par des professionnels
Indice de rendu des couleurs	90
La température de couleur en Kelvin	2.700 extra blanc chaud
Les performances du système	2 x 3,6 Watt
Flux lumineux total en LM	610
répartition de la lumière	directement
Dimensions	H 55 cm

Description

The Byok Nastrino with Table Clamp is a table lamp, mainly characterised by its functionality. High-quality LED technics combined with two dazzle-free light zones, create the ideal working light. This is underlined by the well-thought-out joint technics used with the Nastrino Table Clamp.

The design is very convincing as well, because this lamp consists of simple ground aluminium profiles. The Byok Nastrino Table Clamp is available either in aluminum matt and black matt surfaces. Byok offers this lamp with a table stand, an USM-adapter and a wall fix as well. This lamp is dimmed with gesture control. During dimming thanks to the Dim2Warm technology, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin warm white.
