

Byok

Piani Quadro 48 Downlight

Oberfläche

- aluminium poli
- Matt aluminium
- noir mat

Technical details

Pays de fabrication	 Allemagne
Fabricant	Byok
Créateur	Kai Byok
Indice de protection / Indice IP	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	aluminium
longueur de câble	250 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place avec commande gradateur de phase inverse
LED	y compris
LED (remplaçable)	oui
La température de couleur en Kelvin	2.700 extra blanc chaud
Les performances du système	8 x 3,6 Watt
Flux lumineux total en LM	2.450
répartition de la lumière	directement
Dimensions	H 0,8 cm B 48 cm L 48 cm

Description

The Byok Piani Quadro 48 Downlight is a pendant lamp. The strip geometry being 8 mm thin is milled out of massive aluminium and polished by hand afterwards. The reflective surface is only broken by four fine ropes out of copper braid providing for the power supply. The canopy has a diameter of 26 cm and a height of 6.8 cm. The Piani Quadro 48 Downlight runs by eight LEDs being dazzle-free installed due to the reflector technics used and which may be exchanged singly.

The integrated LEDs can be **dimmed on site with a trailing edge phase dimmer**. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. With Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white. The dimming range is between 0 and 100 percent.
