

Ingo Maurer YAYAHO Element 3

Technical details

Pays de fabrication	Allemagne
fabriquant	Ingo Maurer
concepteur	Ingo Maurer
protection	IP20
Contenu de la livraison	Ampoule
aptitude de tension	230 - 240 Volt
matériel	métal
atténuation	dimmable sur place
base/version	GU5.3
Puissance (max. Watt)	50 Watt
Puissance en Watt	5,4 W

Description

The Ingo Maurer YAYAHO Element 3 light is part of the YAYAHO lighting system. The element 3 is hooked over two mounting hooks into the cable system. The metal bracket to which the reflector of the lamp is attached, is horizontally movable on the ropes. The bulb is surrounded by a natural-coloured cover. The lamp head is swivelable.

The lamp is operated by a transformer. This is equipped with an electronic power monitoring Watch Tronic and a thermal fuse from the manufacturer Ingo Maurer.
