## **Description**

The Arturo Alvarez Ballet Releve pendant lamp is made of an extremely flexible stainless steel mesh. This stainless steel mesh was specially developed by the Arturo Alvarez brand and allows the designer Hector Serrano enormous creative freedom. It is highly malleable, very resistant and compact. The Ballet Releve pendant lamp with transparent cable is offered in the surfaces white and grey. On request, the lamp is also available in taupe and beige. On request this pendant lamp is also available with a black cable. This lamp is offered in both E27 and LED versions. The E27 version has an E27 socket and is operated with a replaceable LED retrofit. The version with integrated LED of the Arturo Alvarez Ballet Elance has a colour temperature of 2,700 kelvin extra warm white. On request the LED version of this lamp is also available with a colour temperature of 3,000 kelvin warm white. A DALI dimmable version of the Led version is also available on request.
