Technical details

Pays de fabrication	 Espagne
fabricant	Marset
concepteur	Joan Gaspar
concepteur 2	Javier M. Borrás
année	2005
protection	IP20
Contenu de la livraison	LED 230 Volt
aptitude de tension	110 - 240 Volt
Diamètre en cm	44
matériel	coton, verre
couleur de câble	noir
longueur de câble	200 cm
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place
base/version	E27
LED	y compris
canopée Dimensions	11 cm
remplacement des ampoules :	sur le site meme
Les performances du système	2 x 8 Watt
répartition de la lumière	la lumière de chambre
Dimensions	H 29 cm Ø 44 cm

Description

The Marset Mercer 44 pendant lamp has a diameter of 44 cm and a height of 29 cm. It consists of a transparent, mouth-blown glass cylinder in which a textile shade made of cotton is integrated. The inner textile shade is available in natural cotton ribbon and pearl white. The light is emitted from this lamp glare-free to the sides and upwards as well as downwards. On the bottom side of the lamp there is an opal diffuser which reduces glare from the downward directed light. The cables with a maximum length of 200 cm can be shortened if required. Suitable light sources for the Mercer 44 pendant lamp are LED retrofit lamps.
