Pied de lampe dimensions	26 cm
Les performances du système	2 x 60 Watt (max.)
Dimensions	H 124 - 165 cm

Description

The Holtkötter 2541 50 cm is a floor lamp with a high-quality chintz shade. Its shade has a diameter of 50 cm and a height of 23 cm. The shade colours champagne, sand and white are offered for this lamp. The 2541 floor lamp is height adjustable from 124 cm until 165 cm. The lamp can be variably adjusted by the double-jointed bridge lamp arm. Lamp rod and base are available in antique brass, matt nickel and brass polished-matt. In the brass polished-matt version, part of the lamp is polished brass and part matt brass. The floor lamp emits its light downwards and diffusely into the room through the shade. Part of the light is also emitted upwards. The lamps are regulated by a pull switch. Both halogen lamps and LED retrofit are suitable as light sources. The floor lamp 2541 is also available with a shade diameter of 40 cm.
