Description

The Brokis Knot Small Sfera pendant lamp smoke brown has a mouth blown glass. This lamp has a height and a diameter of 30 cm each. The glass of this lamp is smoke brown. **The glass of this lamp is matt from the inside, on request it is also offered with a glossy surface.** A handmade metal reflector is integrated top of the glass. The reflector is available in the colours black matt, brass, brushed stainless steel and copper. The canopy is always in the same colour as the reflector. The special feature of the Knot lights from Brokis is the cable running through the light, which is tied into a knot at the lower end of the lights. On request, the Knot Small Sfera smoke brown is available as a not dimmable version. In addition, the lamp is also offered with a transparent, smoke grey or opaline glass. The larger Knot Sfera is also available.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
