

Knapstein

THEA-S-Flex

Oberfläche

- nickel
- Nickel-Chrome
- noir

Technical details

Pays de fabrication	 Allemagne
fabricant	Knapstein
concepteur	Knapstein
protection	IP20
Contenu de la livraison	LED
aptitude de tension	110 - 240 Volt
Projection en cm	106
matériel	métal
atténuation	controle gestuel
Puissance en Watt	10,8 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	1.200
La température de couleur en Kelvin	2.700 extra blanc chaud
Pied de lampe dimensions	22 cm
Dimensions	H 147 cm

Description

The Knapstein THEA-S-Flex is a floor lamp with a flexible lamp arm. It can be tilted at will by means of a ball joint on the base of the lamp. The lamp can be switched and infinitely dimmed via gesture control. The sensor for gesture control is located on the head of the lamp. The floor lamp is switched on or off with a wiping hand movement in the sensor area. To dim the lamp continuously, hold your hand below or above the sensor for a longer period of time. A memory function stores the last light intensity setting and automatically selects it again the next time the lamp is switched on. In the event of a power failure, the floor lamp switches on automatically if it was previously switched on. It remains switched off if it was previously switched off. This function is suitable for use with switchable sockets.

The THEA-S-Flex from Knapstein is available in matt nickel and black. The THEA-S is also offered from the series with a swivel and tilt joint for adjusting the lamp head.
