Description

The Foscarini Gregg Parete Grande Semi 2 has a mouth-blown acid-etched glass in satin white. The wall lamp is shaped like a half Gregg Grande lamp and is curved to the left. It is 47 cm wide and 39 cm high. Its depth is 21 cm. Through the glass, the light is emitted homogeneously and glare-free in all directions. The wall bracket is made of painted metal and is available in white, gold and graphite versions. The Gregg Parete Grande Semi 2 has an E27 socket and can be operated with halogen lamps, LED retrofits or compact fluorescent lamps. The lamp is also offered as a MyLight lamp, which can be dimmed with the Casambi App via Bluetooth using a smartphone or tablet. In addition to this wall lamp, the Gregg Parete Grande Semi 1 with a glass curved to the right and the smaller Media lamp are also available.
