Technical details

Pays de fabrication	 Allemagne
fabricant	less'n'more
concepteur	less'n'more
protection	IP43
Contenu de la livraison	LED
aptitude de tension	110 - 240 Volt
Profondeur en cm	15
matériel	aluminium, bois, verre
angle du faisceau	15 - 75 degrees
couleur de câble	noir
longueur de câble	200 cm
atténuation	Touchez gradateurs sur le bâton de lumière
Puissance en Watt	4,2 W
LED	y compris
Indice de rendu des couleurs	90
Flux lumineux en lm	450
La température de couleur en Kelvin	2.700 extra blanc chaud
tête de luminaire masse	3 cm
remplacement des ampoules :	sur le site meme
hauteur totale	max. 61 cm
Dimensions	H 14 cm B 58 cm

Description

The Less'n'more Kippling Zeus Book Shelf KI-Z is a wooden book shelf with an integrated Zeus lamp. The shelf has a matt white coating and is 14 cm high as well as 58 cm wide. The depth is 15 cm. The integrated Zeus lamp has a flexible lamp arm that can be bent and rotated as desired, so that the light can always be redirected. At maximum extension of the arm, the lamp and bookcase together have a height of 61 cm. The flexible lamp arm is available in these colours: aluminum, textile black, white, anthracite, blue, green, red and brown. The lamp arm is offered in other colours on request.

The lamp head and the rod of the Zeus recessed lamp are made of aluminum and are available in the surfaces aluminum and black. A push button dimmer is integrated in the lamp rod with which the lamp can be switched and dimmed. By turning the glass lens out of or into the lamp head, the beam angle of the light can be continuously adjusted between 15 and 75 degrees. With a larger beam angle, the light is distributed over a larger area.

The Kippling Zeus Book Shelf KI-Z is connected via a black supply cable. In addition to the conventional power supply, it can also be operated via a USB connection. Less'n'more also offers the Kippling bookcase with an integrated Athene or Mimix recessed spotlight.
