Description

The Grupa Ili Ili Prom Queen consists of three different elements. The pendant lamp has at its widest point below a diameter of 31.7 cm and is 28.2 cm high. The lamp is made of aluminum and is available in the surfaces white, black and grey. All surfaces are matt powder-coated. The canopy and the cable are each in the matching colour of the lamp. On request, the Ili Ili Prom Queen is offered in other surfaces as well as in various colour combinations. With the modular system of the Ili Ili elements, it is also possible to create many new lamps in any colour combination.

The cable of the Ili Ili Prom Queen has a maximum length of 250 cm and can be shortened if necessary. On request, the lamp is also available with other cable lengths. The Grupa pendant lamp has an E27 socket that can be operated with halogen lamps or LED retrofit lamps.
