

Loom Design

Odin

Technical details

Pays de fabrication	 Danemark
fabricant	Loom Design
protection	IP65
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	aluminium, verre de protection
Puissance en Watt	22 W
LED	y compris
Flux lumineux en lm	1.900
La température de couleur en Kelvin	2.700 extra blanc chaud
Dimensions	H 90 cm B 16 cm L 16 cm

Description

The Loom Design Odin bollard lamp is well suited as an outdoor lamp with IP65 protection, as it is dustproof and protected against water jets from any angle. The light is emitted directly downwards from the lamp and illuminates the ground homogeneously in a radius of 360 degrees. The Odin has a height of 90 cm and is 16 cm wide as well as long. It is made of black die-cast aluminum and aluminum profiles. In front of the light source there is clear safety glass, which is particularly shock and impact resistant as well as insensitive to temperature differences. The bollard light is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white.
