

Mawa

Bologna floor lamp

Technical details

Pays de fabrication	 Allemagne
fabricant	Mawa
concepteur	Aloys F. Gangkofner
année	2020
protection	IP20
Contenu de la livraison	LED 230 Volt
aptitude de tension	110 - 240 Volt
matériel	aluminium, verre
verre	opale
couleur de câble	anthracite
longueur de câble	250 cm
atténuation	gradateur cordon avec
base/version	E27
Puissance (max. Watt)	60 Watt
La température de couleur en Kelvin	Dim to warm
Diamètre de l'ombre	40 cm
remplacement des ampoules :	sur le site meme
Dimensions	H 52 cm

Description

The Mawa Bologna floor lamp is part of the Gangkofner edition, which was already developed by Aloys F. Gangkofner in the 1950s. The floor lamp with a height of 52.1 cm has a mouth-blown, opal white matt glass with a filigree ribbed structure. The light is emitted homogenously and glare-free in all directions through the glass with a diameter of 39.8 cm. Each glass is elaborately handmade. Possible small bubbles or slight deviations in size and glass thickness are signs of craftsmanship. Its three-legged lamp base is made of powder-coated aluminum in metallic bronze.

The Bologna floor lamp has a dimmer on the supply line with Dim to warm technology. When the floor lamp is dimmed, the light colour changes to a warmer tone (from 2,700 Kelvin to 1,800 Kelvin) due to the Dim to warm technology. A suitable, replaceable Dim to warm E27 LED bulb for operating the lamp is included. Only with a suitable bulb can be guaranteed a perfect function of the Dim to warm technology.
