

Lichtlauf

Ledl

Schirmfarbe

- noir
- rouge
- argent

Technical details

Pays de fabrication	Allemagne
fabricant	Lichtlauf
concepteur	Christoph Matthias
année	2012
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	aluminium
couleur de câble	transparent
longueur de câble	200 cm
réglage de la hauteur	hauteur déterminée
Puissance en Watt	12 W
LED	y compris
Indice de rendu des couleurs	90
La température de couleur en Kelvin	3.000 blanc chaud
Diamètre de l'ombre	25 cm
Hauteur de Abat	1 cm

Description

The Ledl by the German manufacturer Lichtlauf is a pendant lamp made of aluminium, consistently reduced to the essentials. The Lichtlauf Ledl hangs by cable, for example, above a table. This LED pendant lamp blends into its surroundings, the light is in the foreground. The Ledl pendant lamp emits its warm white light directly downwards without glare. The very flat lamp shade made of anodised aluminium is 0.9 cm high and has a diameter of 25 cm. The Ledl by Lichtlauf is supplied as standard with a maximum 200 cm long transparent cable, which can be shortened if required. The light of the integrated LED is characterised by a very good colour rendering with a high colour rendering index of Ra 90. Whether suspended individually or in combination to several lamps, the Lichtlauf Ledl definitely attracts attention. This lamp is offered in the shade colours black, silver and red. Cables in other lengths are also available on request.
