- Laiton brillant
- Laiton mat
- nickel brillant
- matte de nickel
- noir
- Browning
- or brillant

Technical details

Pays de fabrication	 Allemagne
fabricant	Betec
concepteur	Horst Lettenmayer
protection	IP20
Contenu de la livraison	LED
aptitude de tension	110 - 240 Volt
Projection en cm	15
matériel	laiton
Puissance en Watt	17,4 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	1.724,8
La température de couleur en Kelvin	2.700 extra blanc chaud
Dimensions	H 25 cm L 59 cm

Description

The Betec Minimus is a further development of the Clarus picture lamp. In contrast to the Clarus, the Minimus has a thicker lamp head with a diameter of 1.8 cm. In addition, this lamp was developed for the use of a Duo LED. A Duo LED consists of two LEDs in one housing and therefore has a particularly high light output. As a side effect, the picture light also fulfils the function of brightening up the room. The light emitted is mainly directed at the object in question, but the reflected light of the lamp also fills the room with a basic brightness that creates a pleasant atmosphere.

The Minimus lamp head can be rotated around its own axis, making the lamp ideal for illuminating pictures, menus and music stands. The lamp offered here is 59.1 cm long and has a projection of 15 cm (bracket type 15). It is available in the surfaces brass glossy, brass matt, chrome, nickel glossy, nickel matt, burnished, black matt, gold glossy and gold matt. The scope of delivery includes a mounting set with which the lamp can easily be attached directly to a picture or to the wall. The picture light has a colour temperature of 2,700 Kelvin extra warm white as standard. On request, it is also available with 2,400 Kelvin extra warm white, 3,000 Kelvin warm white or 3,100 Kelvin white. The integrated LED is characterised by very good colour rendering with a high colour rendering index of Ra >90. A touch dimmer is offered as an accessory, with which the lamp can be switched and dimmed by touch. Betec offers the lamp in two other lengths and with a projection of 20 cm.
