Nans Portable M/49/R Outdoor

Schirmfarbe

- brun
- rouge
- beige

Technical details

Pays de fabrication	 Espagne
fabricant	Bover
concepteur	Joana Bover
année	2022
protection	IP65
Contenu de la livraison	LED
aptitude de tension	110 - 240 Volt
Diamètre en cm	26
matériel	polyéthylène, acier Inoxydable, aluminium, bois, polycarbonate
atténuation	intégrée Pushbutton gradateur
Puissance en Watt	3 W
LED	y compris
Indice de rendu des couleurs	90
Flux lumineux en lm	460
La température de couleur en Kelvin	2.700 extra blanc chaud
Hauteur de Abat	39 cm
remplacement des ampoules :	chez le fabricant / a l'usine
Dimensions	H 48 cm Ø 26 cm

Description

The Bover Nans Portable M/49/R Outdoor can be operated wirelessly with its rechargeable battery. It is 48.4 cm high and has a diameter of 25.8 cm. With its practical handle, it can be taken anywhere. This lamp is also suitable for outdoor use with the IP65 protection rating, which means that the table lamp is dustproof and protected against water jets from any angle.

The Nans Portable M/49/R Outdoor is charged via an included USB cable. Depending on the brightness setting, the battery lasts between twelve and thirty hours. On top of the lamp is a push button dimmer, which can be used to switch the battery lamp and dim it to three brightness levels.

The lamp shade of the Bover battery lamp is made of a hand-woven, synthetic polyethylene fibre. It is available in the colours red, brown and beige. The upper part of the lamp including the handle is always in graphite brown. The Nans Portable M/49/R Outdoor is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white. The light is emitted sideways and downwards, creating light reflections around the lamp. Thanks to a diffuser made of polycarbonate, the light is always emitted without glare.
