** Diffusore posizionabile frontalmente, lato dx e lato sx
Diffuser can be positioned frontally, right side and left side

Armonia è una collezione dai connotati contemporanei che racchiude preziosi elementi della tradizione vetraria, come le lavorazioni "balloton" e rigadin, sia dritto che ritorto. I cilindri in vetro sono proposti in cinque diverse colorazioni e quattro finiture.

Armonia is a collection with a contemporary character that incorporates precious elements of glassmaking tradition, such as the "balloton" technique and both straight and twisted rigadin. The glass cylinders, are available in five different colors and four finishes.
