Technische Informatie

fabrikant	Anta
ontwerper:	Torsten Neeland
materiaal:	aluminium, porselein
oppervlak:	aluminium
Schaduw diameter:	9,5 cm
schermhoogte:	7,5 cm
kandelaar Dimensions:	lengte 14, breedte 14 cm
base/versie:	GY6.35
Vermogen (max. Watt):	50
Energie-efficiëntieklasse (oud):	C
Geschikt voor EEK:	A++, A+, A, B, C, D, E
bescherming:	IP20
Omvang van de levering:	Leuchtmittel/Bulb

Beschrijving

The Anta Cut Floor Lamp Aluminium has a lamp body of high-quality brushed aluminum. The classic lamp shade is made of white porcelain. Due to the porcelain shade, the light is emitted in all directions. There is also a Cut Floor Lamp with body and shade of black metal. Both lights are available in three heights.

The luminous intensity can be regulated with a sliding cord dimmer. The sliding dimmer has a black housing. The power cable is available in two colours.

The 125 volt version is supplied with an on/off switch (not dimmable).
