Technical details

Land van herkomst	 Italië
Fabrikant	Lumina
Ontwerper	Monici, Walter
Beschermingsklasse / IP-bescherming	IP20
Leveringsomvang	Leuchtmittel/Bulb
voltage geschiktheid	230 - 240 Volt
materiaal	metaal
dimmen	cord dimmer
Voet / fitting	R7s
Vermogen (max. Watt)	300 Watt
kandelaar Dimensions	30 cm
lichtverdeling	indirect
Dimensions	H 187 cm

Omschrijving

The Lumina Opus floor lamp is a real design highlight to every ambience. Its luminaire body represents the simple version of a grid-shaped steel girder. You may elegantly and nearly invisibly roll the supply line of the Opus into the lamp stand plate. This floor lamp radiates an indirect and dazzle-free lighting. Even illuminating living rooms or offices is possible with the Opus making it an optimum uplight. The light intensity may be controlled via dimmer and the diffuser is swivelling due to the useful handle. The Lumina Opus is available in black or white.
