- rood
- zwart
- wit

Technical details

Land van herkomst	 Italië
Fabrikant	Lumina
Ontwerper	Foster+Partners
Beschermingsklasse / IP-bescherming	IP20
Leveringsomvang	LED
voltage geschiktheid	110 - 240 Volt
Projectie in cm	39
materiaal	aluminium, staal
dimmen	2-step dimmer
Wattage	6 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	500
Kleurtemperatuur in Kelvin	2.700 extra warm wit
kandelaar Dimensions	19 cm
lichtverdeling	direct
Dimensions	H 43 cm

Omschrijving

The Lumina Flo Desk is a timeless table lamp that is perfectly suitable as reading lamp. It is made of aluminium and steel offered in a variety of surfaces and colours. Thus it is either matt coated in black, white, red, yellow, orange, cyan, green, metallic bronze or in one of the metal optics being gunmetal or brushed nickel. The Flo Desk is controlled via the switch attached to the lamp head. This switch has three positions being: Off, 100% light intensity, 50% light intensity. One 6 watt LED with 2.700 Kelvin is integrated. On request you can order this lamp with 3.000 Kelvin. The Lumina Flo collection is the result of the first cooperation of Lumina and the design studio Foster & Partners. The design is minimalist and timeless integrating fine details into a slim shape. The idea was to create a functional reading light embedding the latest LED technology into a simple floating shape. The modern elegance of the Flo Desk is achieved not only through its sophisticated shaping but also through the omission of external mobile parts like coils or springs. If you like to order this article with 3,000 Kelvin warm white, please specify the Kelvin colour temperature of the lamp under the item Order Review in the field Order Comment.
