- gunmetal
- rood
- zwart
- wit

Technical details

Land van herkomst	 Italië
Fabrikant	Lumina
Ontwerper	Foster+Partners
Beschermingsklasse / IP-bescherming	IP20
Leveringsomvang	LED
voltage geschiktheid	110 - 240 Volt
Projectie in cm	36
materiaal	aluminium, staal
dimmen	2-step dimmer
Wattage	3 W
LED	inclusief
Kleurweergave-index	>90
Lichtstroom in lm	250
Kleurtemperatuur in Kelvin	2.700 extra warm wit
lichtverdeling	direct
Dimensions	H 15 cm

Omschrijving

The Lumina Flo Wall is the wall lamp belonging to the broad Flo collection. This series is the result of the first cooperation between Lumina and the Design Studio Foster & Partners. Its design is minimalist and timeless with a fine and precise detailing integrated into a slim shape. The Flo Wall consists of aluminium and steel offered with a variety of surfaces and colours. It is either matt coated in black, white, red, yellow, lacquered in metallic bronze, in gunmetal optics (iron-coloured) or in brushed nickel.

The Wall lamp is switched via a push button placed at the lamp head. This switch has two stages being off 100% light intensity or 50% light intensity. The Lumina Flo Wall is connected with the plug included. One 3 watt LED with 2,700 Kelvin is integrated as illuminant. On request you can order this lamp also with a colour temperature of 3.000 Kelvin. If you like to order this article, please specify the Kelvin colour temperature of the lamp under the item Order Review in the field Order Comment.
