Omschrijving

The Naomi is the smaller of two versions among the Keilbach coat racks. It inspires with a filigree figure and offers nevertheless various possibilities to hang up clothes. Naomi consists of six strips and has a height of 162 cm and a diameter of 48 cm. It is available in the versions oiled ash, oiled oak or ash in white and black lacquered.

No tools are required for assembly: simply tension the pre-assembled strips and insert the stainless steel rods between them. The Naomi coat rack was awarded the Form #2000 design prize.
